SUBJECT: Latvian cheerleading sports federation status

Dear President Mrs. Dimitre,

Hereby, the European Cheer Union (ECU) confirms that **Latvian cheerleading sports federation (Latvijas Karsēju sporta federācija)** (hereafter "the federation") is considered by the ECU as a provisional governing body for the sport of cheerleading in Latvia. The federation is in cooperation with the ECU and its teams can participate in the ECU European Cheerleading Championships. We also confirm that to our knowledge the federation's actions are in complete accordance with the ECU and that federation is following the rules of the International Cheer Union (ICU).

The ECU is recognized by the ICU as a continental federation and committed to follow all antidoping rules that apply to WADA and WADA Code signatories (ICU). Therefore, WADA rules also apply to the federation and its athletes.

The ECU will continue to cooperate with the federation and help it to fulfil all conditions that are needed to become a full member of the ECU.

Yours faithfully,

Aljaž Britvič
ECU President
